Full Stack Web Developer

Dear Hiring Manager,

I am excited to apply for the Full Stack Web Developer position at Raven Hunter. With a background in customer service and sales for over 13 years, complemented by recent completion of Rice University's Coding Bootcamp, I bring a unique blend of retail expertise and technical skills to your team.

In joining Raven Hunter, I offer:

1. Proven ability to drive sales and enhance customer experiences, showcased by a 10% increase achieved at Zales Jewelers.

2. Strong foundational knowledge in React, Node.js, Mongo DB, and MySQL gained through the Rice University Coding Bootcamp.

3. A passion for clean code, problem-solving, and creating user-friendly applications that deliver both function and aesthetics.

I am eager to discuss how my skills can contribute to the dynamic team at Raven Hunter. I would appreciate the opportunity to interview and learn more about how we can create impactful projects together. Thank you for considering my application.

Warm regards,

Raven Hunter
